From Larimer to NOCO:

A JOURNEY OF GROWTH AND IMPACT

In October 2023, after more than 50 years serving Larimer County, Larimer Humane Society expanded into Weld County and rebranded to NOCO Humane. Now the most comprehensive animal welfare service provider

for northern Colorado, NOCO Humane has more than doubled its reach, elevating its mission to further the compassionate, safe, and responsible relationships between animals and people.

A LETTER FROM OUR CEO & Board Chair

Dear Friends and Supporters,

It is with immense pride and gratitude that we celebrate progress and share the impact of your support to NOCO Humane. It's been a truly transformative year – we expanded into Weld County, opened a second shelter, and more than doubled our reach to animals and communities across northern Colorado.

A primary focus in our first year of operation as NOCO Humane was the improvement of our Weld Campus facility. Significant enhancements at this shelter have improved the living conditions for animals in our care, reduced the risk of illness, and increased our capacity to care for animals in need.

But we're not stopping there. Looking ahead to 2025, we are thrilled to announce the opening of the NOCO Humane Greeley Adoption Campus. This new facility, dedicated solely to pet adoptions, will help us connect even more homeless animals with loving families. It's an exciting development that underscores our ongoing commitment to transforming animal welfare in northern Colorado.

Of course, none of this would be possible without the unwavering support of our incredible community. Your generosity, whether through donations, volunteer work, or simply spreading the word about our mission, has fueled this growth and change. We are deeply grateful for your continued belief in our work and your dedication to making a difference.

Thank you for standing with us through this challenging and rewarding journey.

With deepest appreciation,

Judy Calhoun

ON THE Horizon

In 2025, NOCO Humane will expand its capacity with the opening of the Greeley Adoption Campus. This third campus will focus on housing adoptable animals and offering one-on-one interactions with prospective families. With space for 100 animals, the Greeley campus will help more pets find loving homes, ensuring our community's continued support makes a lasting impact.

The Greeley Adoption Campus will house:

NOCO Humane's Kennel Count

2022 - Larimer Campus: 361

2023 - Weld Campus opening: 624

2024 - Installation of Weld Campus modular units: 698

2025 - Greeley Adoption Campus opening: 798

This facility will not take the place of the brand new shelter we envision for Weld County, but it will help us bridge the gap. The pets and people of Weld County deserve a first-rate shelter with comprehensive animal welfare services, and we intend to do everything in our power to make that a reality. The Greeley Adoption Campus is an important step in the right direction.
