

Director of Animal Protection and Control

Job Title:	Director of Animal Protection and Control
Department:	Animal Protection and Control
Job Classification:	Full time, exempt, salary
Job Relationships:	Reports to the CEO Supervises Animal Protection and Control Sergeants, Animal Protection and Control field and Dispatch Officers. Works cooperatively and proactively with Senior Staff members, the Associate Director of Operations, Shelter Manager and Supervisors, and Veterinary Services Department Staff.

Reporting to the CEO, the Director of Animal Protection and Control is responsible for providing strategic direction, overall management and tactical animal control leadership for NOCO Humane. Directs the enforcement of applicable county and municipality ordinances and state statutes relating to animal welfare and public safety. Develops and implements policies, programs and services related to Animal Control for contractual jurisdictions and works to ensure Organizational compliance. Cooperatively develops programs and activities to promote responsible pet ownership consistent with the values and mission of NOCO Humane. Serves as a field officer as needed.

Major Duties and Responsibilities

- Department Direction and Contractual Compliance and Relationships**

Oversees the direction and day-to-day-operation of the Animal Protection and Control (APC) department, ensuring contractual obligations are met regarding coverage, terms of coverage, and enforcement of applicable State laws and local ordinances regarding animals. Leads annual planning and budgeting for the department. Ensures compliance with all applicable federal, state and local animal care and sheltering requirements related to APC (PACFA, Larimer County Health Department, etc.). Stays abreast of industry trends and implements changes in policies and procedures as appropriate for the Organization, the strategic goals and the needs of community. Proactively communicates with CEO and Senior Management regarding issues and proposed changes that impact the rest of the Organization. Responsible for compliance with reporting requirements including, but not limited to, the jurisdictions and Bureau of Animal Protection. Takes a leadership role in updating contract valuation formula and jurisdictional contract negotiations in Larimer County and makes recommendations for any changes. Develops and maintains relationships with all Larimer County contract entities and justice representatives such as district attorneys and city attorneys. Serves as a liaison for other animal control agencies, local law enforcement and State animal welfare agencies (Colorado Department of Agriculture/PACFA/Bureau of Animal Protection). Makes recommendations regarding code enforcement changes for animal-welfare-related ordinances. Actively participates in local and state collaboration activities.

- Management of Animal Protection and Control Staff**

Manages department employees and ensures appropriate performance, training, staffing levels, schedules and work assignments; develops and writes department standard operating procedures (SOPs) using the Organization’s SOP process, and ensures APC staff compliance with all applicable organizational policies and procedures. Promotes professionalism and high standards of client service within the department. Consistently coaches, evaluates, and

develops staff. Oversees department handling of Animal Protection and Control cases and investigations providing assistance and guidance regarding judicial process. Establishes team safety protocols and ensures training and compliance with all organizational and department safety processes and expectations, providing for and instituting a culture of safety. Takes immediate action to address any safety concern or noncompliance of safety rules that could put a client, volunteer, employee, animal, or the organization at risk and ensures follow-up investigations, in accordance with standard procedures, for work-related department injuries. Ensures staff compliance with internal policy, procedure, leave and Workers' Compensation requirements.

- **Spokesperson for Animal Control Issues**

As the subject matter expert, represents the Organization for animal enforcement related issues. Educates and advises the public on Animal Protection and Control ordinances. Responds to client concerns and addresses customer service feedback in a timely manner. Responds to community requests for Animal Protection and Control presentations. Works with the Organization's media liaison.

- **Member of senior management team**

As a member of the senior management team maintains close proactive and ongoing communication with the CEO and all members of Senior Management Team updating them on departmental progress and any issues that may impact their areas of responsibility. Helps set the direction of NOCO Humane.

- **Performs duties of an Animal Control Officer as needed**

- **Other duties as assigned**
